7. Creation of University Ombudsperson.
8. Other business.

Proposed Resolution on the Effect of Senate Committee Determinations

Resolved,

Unless specifically otherwise authorized by vote of the Senate, all reports and determinations made by standing or ad hoc committees of the Tufts University Faculty Senate are in the nature of recommendations to the Senate and are not in themselves decisions of the Senate. For any such committee recommendation or determination to become a decision of the Senate it must be ratified or approved by appropriate vote of the Senate.
